

Quality is core to who we are and what we do. We strive to provide products that are flawless in their intended use and 'right the first time,' raising the bar on expectations.

Comar Food Safety Policy

- **Integrity:** We expect integrity of our people, our products, and our partners—this is our most important guiding principle.
- **Customer Satisfaction:** We stand for high-quality, safe, and effective products and services.
- **Improvement:** We are driven to continuously improve the effectiveness of our Food Safety System, our products, and our services; by reviewing and maintaining an SQF/HACCP system through regular independent, third-party audits.
- **Compliance:** We review and train on our policies and procedures frequently to ensure our practices and system stay updated and compliant with the most current food packaging safety and regulatory requirements.
- **Commitment:** We are committed to a food safety culture, achieving our food safety and quality objectives of customer satisfaction, on-time delivery, and on-time execution of our audits.
